

Dear Members of the SF Marina Harbor Association:

We have posted a link to the lengthy "**Comments and Responses to the Draft Environmental Impact Report**" on our **Renovations** tab at www.sfmarinaharbor.org. Interested parties may write to the SF Planning Commission by October 25 to express an opinion on this "Comments and Responses" report or on the proposed certification of the DEIR, and are encouraged to attend the certification hearing at City Hall, recently rescheduled to November 2.

We also hope to see you at our next membership meeting on November 8 for the election of new officers and directors for the coming year, and a discussion of the important DEIR hearing. The agenda appears below.

Sincerely,

Bruce J. Stone
